Unit 1: A post for the school website

Sample answer 1

My first few weeks at secondary school have gone well. At first I know anyone, but after few time I meet good friend, name was Alex because he new like me at the school and we are become friendly.

My favourite subject is chemistry. It's fun learning how do you do the experiment, but weve had quite homework, but not much in the fisic. Although I hate fisic, is too difficult.

I've had good mark in English and I haven't done so well in Chinese but I need for the future.

I've joined the club of football and I've been very well.

I've enjoyed all at my school and I've learned too much.

I've made some new friends so All in all everything has been for me good.

128 words

Attempt

Adequate.

Language/Ambition

Uses simple grammatical forms with reasonable control.

Range

Attempt at range of vocabulary, e.g. 'do the experiment', 'need for the future'. Also attempt at some complexity in grammatical forms though with some loss of control, e.g. 'At first ... become friendly'.

Organisation/Cohesion

Paragraphed as in the suggested plan. Linking words used, e.g. 'but', 'because', 'so'. 'Although' is attempted, but is incorrect here.

Relative pronouns are studied in this unit but opportunity for use missed here – 'I meet good friend, name was Alex'.

Accuracy

A number of errors are present, e.g. 'I know anyone', 'I've learned too much'. Has made good use of the suggestions in the plan.

Communicative achievement

While errors are noticeable, meaning can still be determined.

Content

On task.

Sample answer 2

My frist few weeks at secondry school have gone well. At frist, I've been shy from the others students, but the profesors made some games for know better ourselves.

My favourite subject is science. It's fun making experience at the labratry. In history we've study the modern times is better than the old ones.

I've had good marks in English which the profesor is very nice. but the math I haven't done so well.

I've joined the club fotography but I needed a real camera than my phone. I've played also the football, is for me the best.

All in all I did a good start and I think the school is very well.

114 words

Attempt

Inadequate.

Language/Ambition

Language drawn from the question is correctly used, and some basic vocabulary is used reasonably appropriately. However, the grammatical forms are simple and frequently incorrect.

Problems with prepositions, tenses, relative pronouns, word order, articles and spelling.

Range

Limited, both in vocabulary and grammar.

Organisation/Cohesion

Some cohesive devices are correctly used, but these are all taken from the unit. Few linking words in evidence.

Accuracy

Little control, requires considerable effort, e.g. 'I needed a real camera than my phone.'

Communicative achievement

Frequent errors affect communication negatively.

Content

On task.

Unit 2: A description of an event

Sample answer 1

In England, every year, on 5th of November, a very interesting event happened. We celebrate the day many years ago when the House of Parliament was saved by a big explosion.

In our city, before the celebration day, children make a model of Guy Fawkes the man who put the explosion. They go in the street and people give them small money, and afterwards, they are using to buy fireworks.

At eight o'clock, there is a huge firework show which is paid from the Council. Also, there is a big bonfire, which should burn the model of Guy.

This day very exciting for us because first we have our fireworks then we go to the show.

After the firework, we are eating special, home-made cakes. All children love this day.

130 words

Attempt

Adequate.

Language/Ambition

Generally accurate, correct use of passive forms, e.g. '... the House of Parliament was saved'. Also, correct use of relative pronouns.

'-ing' forms discussed in the unit used appropriately, e.g. 'interesting' and 'exciting'. Similarly, correct use of suggested compound adjective 'home-made'.

However, attention needed with prepositions and verb tenses.

Range

Good range of vocabulary – words from the model have been used appropriately. Also, 'House of Parliament', 'Council' not high frequency at this level.

Organisation/Cohesion

Well organised, correctly paragraphed, each paragraph begins with an appropriate adverbial expression. Well-ordered with time expressions.

Accuracy

Some inaccuracies, but errors do not impede communication.

Communicative achievement

Ideas communicated in generally appropriate ways.

Content

On task.

Sample answer 2

Every year, on 1st August, the Swiss celebrate their national day. This is to remember us the historic time when small countries joined together to create the nation.

In our town, 1st of August is a holiday so everyone can enjoy. First, there is a big parade which contains many different groups of people wearing hand-made costumes. Next, there is music and dancing in the streets.

Later, at the night, there is a firework display, which is really fantastic and goes for a very long time. Afterwards many peoples eat in restaurants, especially fondu, which is the national plate.

I love this day, it is so exciting, I sometimes don't sleep before the night. Even my parents become excited.

In conclusion, Swiss national day is important for all Swiss to remember that we are one country.

135 words

Attempt

Very good.

Language/Ambition

Quite ambitious, some complex grammatical forms, incorporates the suggestions from the Learner's Book correctly.

Range

Good range of vocabulary e.g. 'the historic time', 'to create the nation.'

Organisation/Cohesion

Well organised, correctly paragraphed, a variety of appropriate linking words, effective use of relative pronouns.

Accuracy

Mostly accurate. A few errors, e.g. 'to remember us the historic time' but communication is not impeded.

Communicative achievement

Holds the reader's attention and communicates ideas clearly, e.g. 'In conclusion ...'.

Content

On task.

Unit 3: A letter to a newspaper

Sample answer 1

What is the better thing to make at the new shop in the high street. Is an important issue because high street is the focus for to shop for all the people.

There are three options, first one smart designer boutique sell the clothes and other, second discount store buy the last fashion with price too cheap and third is for all thing second hand.

How is good the boutique. I think you can buy the things are expensive. However you like the clothes.

What's more the discount store is more better the people are buying there can afford even if is not too smart.

The third is a shop staffed by volunteers is not good because the second hand maybe was dirty however not expensive.

Therefore should definitely chose the discount so people can afford and going there.

139 words

Attempt

Inadequate, although tasks have been attempted.

Language/Ambition

Frequent errors, e.g. prepositions, missing subject pronouns, verb forms, inaccurate spelling.

Range

Limited range, errors occur when attempting to expand, e.g. '... the people are buying there can afford even if not too smart.'

Organisation/Cohesion

Poorly organised, some connectives misused, e.g. 'However you like the clothes.' Relative pronouns missing e.g. 'You can buy the things are expensive.'

Punctuation weak.

Communicative achievement

Lack of control leads to frequent failure of communication.

Accuracy

Frequent errors with verb forms and spelling.

Content

On task, but lacking in examples.

Sample answer 2

What should happen to the new shop in the Hight Street? This important issue in our town because High Street is the focus.

There are three options, one smart *desinger* boutique, two a discount store and three the second-hand clothe and household. Each has advantages and disadvantages.

The smart boutique will be cool because everyone love the *desinger*. However the rich people love more.

We are need discount store because the things are more cheap than the *desinger*. What's more the fashion is not so well.

When you need buy something maybe a second-hand is the worse as not everything you want can be there.

For me a smart boutique has the advantages which has clothes, shoes and accessories. Therefore you can chose the one what you want and all are smart.

132 words

Attempt

Inadequate.

Language/Ambition

There are attempts to use the language devices requested in the task, but these are not always successfully realised. Also, there is a general lack of control.

Range

Range of vocabulary quite limited. Grammatical forms mostly simple.

Organisation/Cohesion

Paragraphing mirrors the model appropriately. Suggested linkers not always used correctly, e.g. 'what's more ...' here shows contrast rather than providing additional information.

Accuracy

Frequent errors with verb forms and articles.

Communicative achievement

Simple ideas are communicated, but some effort is required by the reader.

Content

On task.

Unit 4: A travel guide

Sample answer 1

Home Town a ... Malaga is an important city in Andalusia, a province in South of Spain. The city was first built around the Guadalmina river thousands of years ago. There is a large port area which is used to import and export goods and also cruise ships are using. b... The Alcazaba, which is standing on a hill in the city, was constructed in the 11th century. It use to have the Governer's palace and there is a beautiful scenery from there. It is certainly worth to visit. c... In addition to this, you should visit to the museums. Picasso was born here, and there is a wonderful choice of his work to see. Unfortunately, it is often very busy, but if you go early or late to miss the crowds. d... Many people are coming in Spain for the fantastic beach, but now many come too to Malaga for the tourism. Why not also you? 150 words	Attempt Good. Language/Ambition Quite ambitious, includes all required language items, e.g. passive forms, non-defining relative clauses, adverbs. Range Good range of vocabulary items and some complex sentences. Organisation/Cohesion Paragraphed appropriately, as in the model. Not many linking words but some good cohesive devices. Accuracy Some inaccuracies, but errors do not impede communication. Communicative achievement Holds the reader's attention and communicates ideas clearly. Content On task.
--	---

Sample answer 2

My city Al Ain was small villag before few years, but Sheikh Zayed Al Nayan who born there like our father. When he find the oil, everything is change and he make it more beatiful than before from trees and flowers. Also, the camel is too impotant for my city, you can see on Friday the market for choose a camel for the race and also the milk.. Becase the water is in my city, you can find trre of dates in speshul place which makes good your heathy. On Friday you can go at the mountain Hafit, with a hotel and swimming. All people loves my city.

Attempt

Inadequate.

Language/Ambition

Uses simple grammatical forms with some degree of control at times, but generally language is poor. Most teaching points are not addressed, except non-defining relative clauses.

Range

Basic vocabulary used, somewhat repetitive. Grammatical range limited.

Organisation/Cohesion

No paragraphing attempted, basic linking words used, a few cohesive devices, but frequently incorrect.

Accuracy

Generally inaccurate, some verbs missing, others incorrect.

Communicative achievement

Some simple ideas are communicated, but considerable effort is required.

Content

On task.

Unit 5: An advert

Sample answer 1

Cairns – The best place to explore the Barrier Reef Are you interested in Nature? Have you ever dreamed of exploring the Great Barrier Reef? Did you know Cairns is your best place to do it? Cairns is a great place to go, as there are a lot of choice that you have. You could go to Green Island, that is really quite near and not so expensive. Unit 6: A profile of a sportsperson

Sample answer 1

Kare Adenegan is a famous British sportswoman. She first debuted in wheelchair para-athletics in the Rio Olympic, which is very impressive, as she suffers from cerebral palsy.

She was born in 29 december 2000; although she was not allowed to do any sport at school, in 2012, she watched the Paralympic Games in London in 2012 and was inspired.

She is attracted to this sport because it has speed and power, so she fell in love with it.

'Whatever happens, I'll be happy as long as I've done my best,' she said. This is the best attitude, because anyone can do better than that.

104 words

Attempt

Adequate.

Language/Ambition

Although much of the language comes from the information about the text, the text also contains original language that is successfully integrated into the text, e.g. 'She is attracted to this sport because ...'.

Range

Adequate vocabulary and some more complex grammatical forms.

Organisation/Cohesion

Good. Well paragraphed, well punctuated, appropriate linking words.

Cohesion and some cohesive devices.

Accuracy

Good. Very few errors, communication not impeded.

Communicative achievement

Reader's attention held and ideas communicated.

Content

On task.

Sample answer 2

The athlete's name Kare Adenagan and she British. The sport was wheelchair para-athletics and the date of his/her debut 2016. She have disability has cerebral palsy and the date of birth 29 december 2000, his/her inspiration wasn't allowed to do eny sport at school watching olympic games. She is attract of the sport speed and power.
have you used a quote from the ahtlete?

64 words

Attempt

Inadequate.

Language/Ambition

Almost no original language used here. Simple answers to the questions in the exercise, lifted directly from the text.

Range

Little or none.

Organisation/Cohesion

Poorly organised, lacks cohesion.

Accuracy

Original language seriously inaccurate.

Communicative achievement

Considerable effort required.

Content

On task, except final sentence, lifted from rubric.

Unit 7: A personal profile

Sample answer 1

My favourite subject used to be history, but now we do so much practical I prefer the science subjects. Chemistry is so interesting to make experiments and it is fascinating in biology to study the animals.

Fortunately, my school has a good reputation for the activities, which are so many. Personally, I play the chess club, and I also do special training in the gym for my healthy.

Every month we are having a meeting at school, so every class vote a student to be representative of the class. and this is my special responsibility. This makes me proud of me, since it is important to speak for your peers.

When I am not in school, I like doing sports, as cycling and in winter skiing.

I like to be alone, and after university I plan to be a research scientist.

141 words

Attempt

Good.

Language/Ambition

Appropriate use of simple and some more complex forms, e.g. '... used to be history, ...'.

Range

Range of vocabulary, e.g. 'reputation', 'peers'.

Organisation/Cohesion

Well paragraphed, well organised, frequent use of linking words.

Accuracy

Very few, non-impeding errors.

Communicative achievement

Holds reader's attention and communicates ideas clearly.

Content

Relevant, on task.

Sample answer 2

Are my favourite subjects computers and arts. I'm good at computers, and I like arts, but my teacher says me to get better. Activities am I invoved at school are computer club. The tuesday after school, we are making websits.

My free time I am playing xbox and many friends are like this. This is particular activity I enjoy doing it. I do it at home and my bruther too.

I would describe myself like one boy with too many freinds because freinds for me very important.

For the futur, my ambitions are to be computer expert, because I like that and the salery high.

105 words

Attempt

Not quite adequate.

Language/Ambition

Quite a lot of language is directly lifted from the questions in the Learner's Book. The text follows the questions closely and is not developed as in the model.

Range

Limited range of vocabulary and grammar.

Organisation/Cohesion

Appropriately paragraphed, with some linking words but few cohesive devices.

Accuracy

Generally lacking in accuracy. Errors in spelling, word order, tenses, omission of verbs, e.g. '... freinds for me very important'.

Communicative achievement

Communicates simple ideas, but some effort is required.

Content

On task, but incomplete, questions d and e not addressed.

Unit 8: A newspaper report

Sample answer 1

Lucky Laura Lara Moore, an eighteen year old from Cape Town, South Africa, had a lucky escape yesterday afternoon. She was at sea, sailing by her own, when suddenly it happened a big storm. The wind was so powerful that it blew the sail away and the wood part hit Lara hard on the head. She collapsed, and lost conscience for a few minutes. When she woke up, a storm was still happening, but she checked her phone and tablet, she was surprised to find a singal. The tablet gave her the information about where she was, and she phoned to the rescue service. The Cape Town rescue service said, 'The storm was very powerful and quite not expected. But Lara would be better if she was not alone next time..' 131 words	Attempt Very good. Language/Ambition Good control of grammatical forms, some quite complex. Range Appropriate range of grammar and vocabulary for this task. Organisation/Cohesion Well organised, correctly paragraphed, few linking words, but this follows the model text, and is not required for this task. Some cohesive devices e.g. '... so powerful that ...' Accuracy Generally accurate, minimal spelling and vocabulary errors, e.g. 'conscience'. Communicative achievement Ideas clearly communicated, no effort required. Content On task, but missing one element: 'How was [s]he rescued?'
---	--

Sample answer 2

Lucky Plucky Sailor Girl

An eighteen-year-old girl had a quite terrifying experience at sea yesterday.

Lara Moore, was sailing her yacht in the English sea yesterday when a terrible storm rose up unexpectedly. The wind was so strong, it completely blew the sail away. What's more the pole broke and hit her head and knocked her unconscious.

It happened around midday yesterday suddenly, when Lara woke to find the yacht still floating and quickly thought what to do. She was really surprising to find her phone on signal and using a map, phoned the rescue services.

'The rescue services were brilliant' said Lara. 'They said me to keep calm and they would save me in 30 minutes. A helicopter came and I climbed up the rope into it.'

A doctor was examining her later and she was told to be good.

The rescuer said, 'Lara told her position so it was easy for us to rescue. The storm was caused by extraordinary weather condition.'

164 words

Attempt

Very good.

Language/Ambition

Excellent language, combining vocabulary and structure from the model with some original lexis and grammar.

Range

Very good range of vocabulary, e.g. '... a terrible storm rose up unexpectedly', 'plucky'. Also, grammar, e.g. 'The wind was so strong, it completely blew the sail away.'

Organisation/Cohesion

Appropriately paragraphed, direct speech integrated correctly into the text, cohesive devices in evidence.

Accuracy

Good standard of accuracy, occasional errors, e.g. 'yatch', 'She was really surprising', but these errors do not impede meaning.

Communicative achievement

Ideas clearly communicated.

Content

On task, all requirements fulfilled.

Unit 9: A presentation on digital devices

Sample answer 1

Digital Devices – Essential Tools for the Young Generation

There are many digital devices available these days, but mobile phone is holding nearly all the tools that a young person needs. According to last research, 70% of 10 years children have, and almost 90% of 15 years children.

In survey carried out by the Ministry of Social suggests that children prefer look at their phone to look at a much bigger screen. This was because it is convenient to carry and they are use to all controls which can do many things, For example, not just taking photographs, but changing them to make funny. making selfys and videos is another they are doing and communicating with their friends.

The school work is also often on phone and sharing idea is easy through internet.

Take away a phone from the children and they only have half life.

145 words

Attempt

Adequate.

Language/Ambition

Some ambition, with some more complex structure, but sometimes this leads to lack of control. Attention necessary, especially to use of articles, e.g. 'The school work is also often on phone ...'

Range

Reasonable range of vocabulary and grammar, some original ideas, e.g. 'Take away a phone ... etc.'

Organisation/Cohesion

Appropriate paragraphs, some linking expressions used, e.g. 'According to ...', and also some cohesive devices.

Accuracy

Errors occur fairly frequently, some spelling mistakes but meaning can still be determined.

Communicative achievement

Ideas communicated in generally appropriate ways.

Content

On task.

Sample answer 2

Digital Devices – the New Generation’s Gateway to the World With a tablet in front of them, young people can access to a world of entertainment, art, music - and employment. Just imagine, the size and weight of two paperbacks a tablet helps to you to take up any task you want. You can listen music, watch videos, contact your friends of course. But you also can create. For instance, this young generation are making movies, putting on line concerts, blogging and many others. Some entrepreneurs are making so much money, even schoolchildren. Last year a government survey found that nearly 90% of small business use special software in their accounts, and 95% pay on line their taxes. Moreover, 75% of small business people are under 30. Some critics deny that technology is good for us; however, young people know best. 140 words	Attempt Excellent. Language/Ambition Language quite ambitious and fluent, very good control, some complexity, original title. Range Very good range of appropriate vocabulary. Organisation/Cohesion Well organised, following the structure of the model. Appropriate use of linking words, e.g. ‘Moreover’, ‘however’, and some cohesive devices. Accuracy Generally accurate, a few non-impeding errors, mostly prepositions, e.g. ‘You can listen music ...’, and spelling, e.g. ‘entrepreneurs’. Communicative achievement Very well structured and thus communicates basic and more complex achievement ideas clearly. Content On task, all requirements fulfilled.
