[Total: 10 marks]

Grammar 1

Read the text about Antonia's attitude to clothes and fashion.

Write **one** word in each space to complete the multi-word verbs.

My attitude to clothes and fashion

Hi, my name's Antonia. I'm really interested in fashion, so my favourite weekend activity is shopping and I pay a lot **(0)**...*for*... clothes. It's my cousin's wedding in two weeks, so last weekend I needed to go and get something to wear for it. I love dressing **(11)** for special occasions.

I always like trying clothes **(12)** before I buy them. My mum comes with me when I need to buy anything. I think she's really happy to have a daughter like me because I always fold my clothes **(13)** and put them **(14)** before I go to bed – not like my friends! They never hang their clothes **(15)** in the wardrobe – they just leave them all over the floor. I like my clothes to look smart when I put them **(16)** in the morning, and they don't if I just leave them on the floor all night!

I don't really like shoes with laces – they take so much longer to do **(17)** when I'm going out and shoes with no laces are so much easier and quicker to take **(18)** when I get home too. I can slip my favourite pair of shoes **(19)** and off in just a few seconds! They look great **(20)** me too!
